

## D6 TRAVEL UNIFORMS

Soccer Source has opened a secure, online order site to place your team uniform orders for this soccer season.

### INITIAL and REPLACEMENT TEAM UNIFORM ITEMS:

Team uniform orders must be placed by **Sunday, February 26, 2017** for delivery by your first game. Orders placed after this date will be processed and available as soon as possible, but may not be available for the first game of the season.

NOTE – all orders placed within one week of the start of the season may NOT begin to be processed until after the start of the season.

Items listed as "**Required**" are determined by the club to be needed. However, if you already have some of these items and plan on using them this season, there is no need to reorder the item again through this system.

### ADDITIONAL ITEMS/EXTRAS:

Spiritwear or optional items are also available through this online site and can be placed at any time for anyone, players and fans, who may be interested in the products.

### SIZING:

- Items are indicated as either mens or youth sizes.
- Size charts are available within the ordering website for additional details regarding sizing. Please note that these size charts are approximations only and it is recommended that you try sample items on at Soccer Source, 9600 Perry Highway Pittsburgh PA 15237 prior to ordering online whenever possible.
- If a change needs to be made to an order after payment has been completed, please contact [sue@soccersourceteam.com](mailto:sue@soccersourceteam.com).
- Once items have been printed with personalization they can no longer be exchanged or returned.

### JERSEY NUMBERS:

- **Division 5/6 Travel Players** – The system may show you as being associated with a general age/gender team for the time being and may have a jersey # associated with your account if it was supplied last season. This season's team rosters will be finalized just prior to the start of the season.
- If the system shows your Current Jersey # as "No Number Assigned", you may place your order now and once you are assigned to a team NASC will assign jersey #s based on availability.
- If you already own a travel jersey or tee-shirt from a prior season with a # other than what is listed on the website, please send an email to [sue@soccersourceteam.com](mailto:sue@soccersourceteam.com) with your player's full name, age group, gender and current jersey #. Your # will be added to your account if available. If it is confirmed that this # is no longer available with your new team, you will be contacted regarding further action needed.

### DELIVERY:

- **NASC** will contact you regarding delivery of your order prior to your first game. Generally the entire team order is delivered to the coach for distribution.
  - If you order after the team order deadline date, you may be contacted individually to pick up your order at Soccer Source, 9600 Perry Highway, Pittsburgh, PA 15237.
